

## Did Your Year Count?

John 4:34-38

John 4 tells the amazing story of Jesus' life counting in the Samaritan village of Sychar.

- I. Food doesn't make life count (4:34).
  - A. Jesus had a different type of food that made His life count.
  - B. Jesus' food was to do God's will and accomplish His work (John 5:36; 6:38; 8:29; 14:24; 17:4).
  - C. Our lives will only count as we do God's will and accomplish His work.
  
- II. Don't postpone making your life count (4:35-38).
  - A. Jesus used agriculture to teach that we must not wait to make our lives count.
  - B. Nothing should delay our lives counting; not even Covid.

In conclusion, we spend so much time asking God to do something for us. Maybe we should do something for Him!
